

An aerial photograph of a large industrial facility, likely a refinery or chemical plant, featuring numerous large cylindrical storage tanks. The tanks are arranged in rows, and their roofs are covered with corrugated metal. A prominent green diagonal overlay covers the left side of the image. In the center of this overlay, the text "TECHNICAL DATASHEETS" is written in a bold, white, sans-serif font. The background shows the complex steel framework of the plant under a clear blue sky.

A3. Snow barrier**A.3 - SNOW BARRIERS**

Manufactured from galvanized profiled steel sections, snow barriers can be offered to be fitted to the roof eaves. Designed to support high snow loads, this feature prevents the snow from sliding off the roof panels and causing serious damages. Suitable for all silo models.
